Subject: Apology for being absent.

Dear Sir,

I had a severe abdominal pain at that time for which I consulted a medical specialist. After investigations I was diagnosed as a case of "ACUTE PANCREATITIS" and was admitted to medical unite in DHQ HOSPITAL Bannu at 6/4/2021, after 6 days I was discharged from the hospital with the advise of 3-weeks complete bed rest(OPD prescription and discharge slip are attached with reply to explanation)... I submit my application for medical leave, I was ensured for approval of my medical leave but unfortunately didnt approved. After 8-10 days i got better and able to perform my duty, then joined my station before the advised date for bed rest...

Now it is a kind request to accept my apologies because it was an emergency and was impossible for me to get off my bed at that time.

I hope you will accept my apology.

Yours sincerely,
Ihtesham Ul Haq
