Dear Sir,

My current contract will end on 30th june 2021. So i want to bring in your kind notice that due to some personal reasons i want my contract not to be extended further. Please consider this email as my prior notice of resignation.

I have spent 8 years in polio program. Those were the best years of my life. But it's time for me to look for other options in my life. I wish you and all my colleagues the best of luck. I hope polio will be eradicated soon.

Thanks and regards
