Subject:- Reply of Complaint against me.

Respected Sir/Madam,

It is hereby stated in the context of complaint and personal hearing to clear my position. We have been working together since one and half year and now joined UC Kotki in May 2021. I tried to take my all TMs and other UC staff together.

I assure you that I did not harass anyone including Ms. Khadija. We are working as a good team. Policy of Program requires strong coordination and so did I, and nothing did such things or text anyone which comes under the category of harassment.

Your goodness is hereby requested to please investigate the matter further and if you people find me any ~~good~~ harassment, then you can do anything.

Looking forward for your positive response.

Yours Sincerely,

Huzrat Bilal
UCPO Kotki.
