Subject: Fake/ghost Team in UC-3 Kharadar

Dear Dr. Asma,

Hope this email finds you well.

Let me share with you that I have traced a fake/ghost team in UC -3 Kharadar today on 10 June 2021. This was noticed when I visited to monitor and facilitate the Area Incharge Ms. Saima. I wanted to observe the performance of teams. When I inquire about the deployment of team # 4, Ms. Saima got perplexed. I insisted to see team # 4. She was muttering. It was enough to speculate the situation. I advised producing the means of verifications i.e., Micro Plan, Field validation, Desk Review, Summary Sheet, and the details of teams' deployment. At this point she confessed that:" There had been no team # 4 since last two campaigns.

After knowing the above situation, I called UCPO and UCMO and asked them about this blunder, for which they had no satisfactory reply. I also examined the records provided by UCPO Waseem, which is sufficient stuff to infer about the fraudulent act by the UC level staff (images are enclosed).

In the light of the above facts, it is requested that stern action may kindly be taken against the UC level staff involved in the above-mentioned counterfeiting.

Warm Regards
Dr. Najma Tariq
