

Counselling Session

I, Bibi Saeeda UCPO ward 8 has been counselled regarding my need improvement appraisal by Dr Lubna Adnan, IO Quetta on following issues:

1. Coordination at UC level
2. Personal business within UC staff
3. Conflict with staff

I will avoid above issues and work hard in future. There will be no any mistake in future that will compromise my performance if so necessary actions or disciplinary action should be taken.

Bibi Saeeda
