This is Abdul Aziz UCPO at UC-19 Mustufabad From May 2013 to 31 July 2021. I would like to notify you that I am resigning from my position Please accept this letter as official notice of my resignation effective from 31-July-2021. I am planning to move to Zhob because I have some personal family reasons and am unable to continue working in Karachi due to this transition.

My time at Chip Training and Consultants (WHO) has provided me with invaluable opportunities for my personal and professional development. I appreciate the encouragement, mentorship, and community that I have found working on your team. Although I am excited to pursue new opportunities for my career in Zhob as well, I will miss collaborating with you and my coworkers. This position has helped me develop a strong background that will undoubtedly help me achieve my professional goals.

Before my departure, I will do everything I can to support our team by completing current projects and preparing documents that describe any ongoing obligations. I am happy to help train my replacement or update human resources documents to reflect my current responsibilities accurately. If there is anything else I can do before I move, please don't hesitate to ask.

Sincerely,

Abdul Aziz

Dear Abdul Aziz,

As per HR Policy you need to serve 1 month prior notice period.  
Secondly the campaign is on the 1st week of August, so it will be better if you serve your notice period as per our telephonic discussion.
