Subject: FW: Forged graduation degrees for Karachi UPDATE

Dear Imran,

As per our previous discussions, find below the list of 6 UCPOs whose academic qualifications have been confirmed fake by the respective universities. The list now includes the last verification which we have been awaiting.

Please do go ahead with the appropriate administrative procedures as their actions are at variance with the WHO Code of Ethics (Integrity). All the same, the Polio program is currently undertaking a Campaign and therefore, you can make 1st of April as the effective date of action.

Be that as it may, after these already pending/outstanding degree verifications at the time of UCPO recruitment takeover by CTC, WHO Sindh will be referring any anonymous emails of this nature to yourselves for appropriate actions.

Feel free to get in touch for any clarifications.

Thank you and best wishes,

Dube
