Subject: [EXT] Request For Mutual Transfer

Dear sir,

I would like to bring this to your kind information that i joined my duty station (Sikandra bad District) on 14th September 2021.

As you know that i live in Quetta and Sikandra bad district is too far from Quetta. Being a female, it is too hard to find out a suitable accommodation in Sikandra bad and even not possible to travel back to home on daily bases.

Mr.Waseem (District Monitor Mastung) has no objection for mutual transfer and will be glad for serving in Sikandra bad district. I would be more convenient working in Mastung district as it is quite near to my home.

It is further requested to please issue the order of my transfer from Sikandra bad to Mastung.

Thanks and regards,

Tahira baloch
