Here it comes in my information that the position of Ucpo ward 8 is veccant.so

I want you to make my shuffling to ward 8 as a Ucpo, because i am competent to tackle the issues of uc ward 8 in a smooth way, as you know that I am local of ward 8 and I have good relations with political influencer religious person as well as having good relations with community members and I know as well how to convince community refusals to increase coverage,

As I am facing troubles while making entry to Cannt,
