Respected Dr Mohsin

PTPs site has not been visited by Zubair since couple of months.I wrote him in June 2021 when it came in my knowledge.Afterthat he also got official email of provincial office through PDA but he didn't take it serious.

Furthermore whenever we are asking him for anything he is confusing matter instead of appropriate reply. He did same in this email trail.

In future this type of attitude can't be tolerated.Zubair is experienced and his presence must be as facilitator instead of burden and always for creating problems with staff.

Regards .

Dear sir

Hope you are doing well. 1st i apologize on my mistake but i didnt it intentionally because busy schedule of NID SEP 2021 li cant visit the Ptp. Next time i will be very careful about this matter. My tehsil is too much scattered and time consumption was too much in NID Field work.

Thanking you sir

Already communicated through email of provincial office & my text message of 21st May & 18th June 2021.
