Sir

It is requested that the timing of this job is too late I reach home at 7 or sometimes 8 o'clock. My kids are small in age my youngest son is in KG because of these timings my kids are suffering. Last week my son was having cough and fever inspite of that I performed my duties on time but now it is very difficult for me to continue my job as I have to look after my family as well.

Therefore kindly accept my resignation from post of District Monitor. I will be grateful to you

Regards

Shamim Laghari
