Subject: Seeking Advise on Request case for Transfer- UCPO Asif Ali on account of study

Dear Matthias,

There was one approved request from PTL Sindh to transfer one UCPO from Sindh Interior to Karachi be taken admission in University in Karachi. We need some clarity on this issue.

- At the time of hiring CTC take consent from staff if they are regular student or not
- At moment we have nothing related to study policy in SOPs
- CTC has taken his consent that if his studies will effect his work then his contract will not be exter
- He has already taken admission in evening program (weekend days classes only); not regular clas
- CTC has drafted one Study policy which can be discussed

Looking for your usual advises and way forward.

Best Regards,
khalida

Dear Ms. Khalida,

In the current SOPs, we don't have any clause to address this matter. Therefore, we asked him consent note that CTC would take strict disciplinary action against him if his studies affected tl activities.

In Feb, we have already proposed to WHO FO a Study policy for PTPP staff. The same is attach feedback and approval.

If you need any further information regarding the same, please let us know.
