Dear Ms Saima,

With the reference to the below email, as per IO Dr Attaullah report, UCPO Ms Misbah remained absent from her field activities on 15th and 16th November,2021. Therefore, it is recommended to issue her explanation letter to get her stance on the subject matter.

Kindly proceed with it for approval.

Dear Naveed,  
Please proceed as per SOPs. Quality of MR campaign is compromised due to her absence.

Dear Dr Attaullah,

Kindly share your feedback, do you want CTC to initiate disciplinary action against the UCPO Ms Misbah.

Dear Misbah,

It has been noticed that you have not resumed duty station after leaves. You are absent from your assigned duty station for last three days without any information. You were supposed to resume duty station on November 13, 2021. As you are aware that MR campaign has started from November 15, 2021 and your presence is mandatory for the success of campaign.

Absenting yourself from your assigned roles without any information is a careless behavior and misconduct. No staff is allowed to take any leaves during campaign days. You are directed to immediately report to your duty station and give written explanation for your careless behavior.

Failure to report to your duty station will result in disciplinary action.

Regards
