Dear Shahid Ali,

Keeping in view the current trail of communication regarding the subject matter of the said staff and reviewing his past performance where he has been served with final warning already, we at this stage are not in position to bear such acts performed irresponsibly.

The current epidemiology of WPV and pinpoint focus on SWTD hardly give us space to accommodate poor performance and there is zero tolerance on beaching the trust and reliability in such circumstances.

Please proceed further as per policy.

Kind Regards

Dear Mr Shahid Ali,

I hope you are fine.

My apologies for late reply.

The response given by UCPO Zahoor is plausible as far as the PTP data sending issue is concerned. However, there is repeated negligence on his part to maintain the required communication with his supervisor despite the fact that mobile signals are almost 10 mins away from his residence. At times, due to no contact with supervisor, his existence in the UC as a UCPO becomes useless for the organization. Appropriate action against him in this regard may be advised.

Regards,

I.O, SWTD

R/Sir,

In reply to the show cause later dated: October 16,2021 regarding my neglect of duties I would like to clarify that I have updated PTP Ahmadwam data in Google sheet on September 30,2021 as per PDA Sami's direction to submit data till 30th of each month on account of no facility in Tehsil Sararogha and I lie approximately 40 kilometers from Jandola where I can avail net facility. So,for this very reason, i am unable to share data on daily basis. Sir, I have been attending AFP cases in more than the concerned UC without missing a single case. In addition to, I have been on my duty station all the time where there's no mobile network so that I am being contacted 24 hours. So, I am hopeful, that your kind self will find the reply satisfactory keeping in view our survival in such a hard and risky area.

Thanks

Regards

Zahoor Ahmad
