Respected Sir

Hope my email finds you in the best of your Health.

I am really grateful to inform you that I have been offered a job in another department and the process will soon be completed INSHALLAH. I have spent about eight and a half years with PEI programme and most of these were under your kind supervision in which i have learnt alot from you and I will be highly indebted to you for the whole of my life. I also want to inform you that I would be unable to continue my journey with PEI programme after the end of contract in the month of December 2021 and 31st December will be my last working day.

My posting order is not confirmed yet and it is expected that I will get it before 31st December.

If my posting order is postponed due to any reason, I will let you know immediately.

Best Regards

Mr jamshid khan

Ucpo laghrai Mamond Distric Bajour
