Respected sir,

I have mailed you some facts and reasons in detail against the failure of eLqas of my assigned Uc-69 DGBT.

Of course I am working in this Uc from a long time. i have done all my best efforts and skills in this noble cause to eradicate the dangerous polio virus from my country as we all are struggling to fight against it from a long time.

Being a UCPO in this UC-69, I have worked hard with sincerity and honestly as the result many of eLqas has passed in 100% in past.

In all phases of Polio eradication programme, i have given my all best interest and true role to take all my responsibilities to do at the best and i am fully involved and Supports to Ucmos and AICs of UC-69. But as you know Sir before this NID Polio Campaign, RED Campaign of Corona virus was conducted. many of AICs along with other ucs are engaged in it.

Than in this Polio Campaign, Corona vaccination is also take place and many of Trained polio workers was involved in [it.in](#) my Uc-69 Polio Team # 18 part D which is conjested area both workers were new comers. i specially focused to this team in this Campaign.

It is the major issue that when a worker even a AIC trained, the distt. changed it with a newly appoint worker which has no experience in past about this field.

In all above aspects and facts, i will do all my best again as i am serving and will keep it going on under your kind support and instructions IN SHA ALLAH.

Thanks & Best Regards.
