**Subject:** FW: [EXT] Biased & Fake Locality Verification by UCPO Surezai Bala.

Dear Faizan/Waseem,

Greetings!

With reference to below email, it has been reported that UCPO Mr. Mushtaq Amjad Khan UC Surezai Bala has shown biasedness while locality verification of CHW Mr. Abdullah. UCPO declared the said CHW non-local (**verification of UCPO is attached herewith**) for the vacant position of Area Supervisor.

Later on, the said CHW was verified by another staff member and found local to the UC Surezai Bala as per CNIC address and as per other UC level supervisors he is vaccinating/covering his own house which can be verified from MC book.

UCPO Mr. Mushtaq Amjad has misled the PE recruitment team which falls under professional misconduct. Therefore, he is recommended for explanation to record his stance in writing.

In case of any feedback regarding the same please let us know.

Regards,

**Subject:** [EXT] Biased & Fake Locality Verification by UCPO Surezai Bala.

Dear Concerns,

Greetings!

I the undersigned hereby want to bring into your kind notice that our HR Team conducted Test/Interviews for the vacant position of AS in UC Surezai Bala dated 6<sup>th</sup> Jan 2022. Following which we have recommended a competent candidate, who is currently working as CHW in the same UC, named Mr. Abdullah & shared for Client's endorsement. It is worth noting that the details of said candidate shared with Client were as per his CNIC (**detailed scoring Sheet plus Copy of CNIC are attached**).

Later it is found that in the **Locality Verification**, conducted by UCPO Mr. Mushtaq Amjad Khan, the candidate is declared as **UC Non Local** with additional comments that are totally contradictory as compared to his Address mentioned in CNIC & track record. Furthermore, according to our knowledge the said Candidate is already covering/vaccinating his own house & his house & family are already existing in the UC Books. He also created baseless allegations in the comment section of the attached locality verification form.

Keeping in view all the above, the biased & fake locality verification of UCPO is creating hurdles & issues in the recruitment process of the said vacant AS position, which is seriously affecting the upcoming campaign activities. It also

came to our knowledge that all the above scenario is created by the UCPO due to his personal grudges with the said candidate (Abdullah).

The detailed scoring sheet, the scan copy of locality verification done by UCPO & the CNIC of Mr. Abdullah are herewith attached for your ready reference.

Best regards,

**Saqib Ali**
