Dear Ms. Zainab,

Hope this email finds you in the best of health.

In continuation to the show cause letter issued to Mr. Zubair (TPO Attock – Jand) on account of fake degree submission to CTC.

It is hereby to inform you that in response to the show-cause letter, he denied the allegation and said the university must have made a mistake and requested to share the degree verification form with him, so he can re-verify it from the university.

CTC has suggested to suspend him with immediate effect and giving him a week to prove that his degree is not bogus otherwise he will be terminated on account of fake degree submission.

Your kind approval and feedback is requested in this regard.

Respected madam/Sir

Hope you are doing well. In response to your mail regarding my degree verification (fake or bogus) is really shocking and tragic for me.

I don't know which process you people adopted for the verification of my degree.

I have already submitted my degree with CTC verified and attested not only HEC also from foreign affairs.

It seems to be a some clerical mistake on the end of University some conspiracy against me. I claim my degree are genuine and original and i can prove it any before any forum. Therefore yor are kindly requested to give me an chance for personal hearing and let me apply once again to concerned university for the verification of my degree under your kind supervision. If possible to give me that documents or email through which my degree were declared fake. I hope a chance will be given to me for the of justice and for proving my self as innocent. In last its my humble requested to you to give me the information who is complainer behind this matter.
Thanking you

Zubair khattak
TPO JAND.
