Naveed,

This is indeed NOT a satisfactory response, submitted by UCPO Rameez.

1. He remained uninformed absent on 17-01-22, didn't respond to any DEOC Core team member neither update about any illness which he suffered.
2. He sent leave request after Explanation email was raised against him and remained absent next day on 18-01-22 without approval of leave.
3. On 18-01-22 he was asked to report to DEOC East, but he didn't show up.
4. Again, he didn't join on 19-01-22 and sent request for extension of leave - again remained absent without approval.
5. On 21-01-22 he was asked again to report to DEOC East, I called him multiple times, but he didn't respond to phone calls neither called back.
6. He didn't update us when he re-joined his duty. He was directed to report to DEOC East - not to the TSC whenever he must join but he didn't follow the command.
7. It would be appreciated if he would share Medical Records / Doctor prescription to whom he visited for the illness he is talking about.

Regards,
Dr Muneeba Hashmi
