Dear Sir/Madam

It is to inform you that I want to resign from my position as UC Lead 10-B. My last working day with CTC will be 31 March 2022. It is pertinent to mention the reasons for leaving the job.

1: There is no appreciation concept. Every now and then we are asked questions for pity issues and held responsible

2. We are asked for multiple tasks even at night timings, not leaving for a moment to spare some time with families

3: We have too many groups to receive messages. Being a human when I am unable to see a messages.

4: There is no appreciation for staff from beginning of my enrollment in polio program very disappointed from high authorities .

5: Discrimination looking in this regard. When a person waste his total energy in program on day night and worked extra ordinary but still not the same concern which I mentioned .

6; From my joining date 1/11/2014 till date . I spent my total time of seven years here not thinking for another objective regarding position of any other sector . Thinking for better and better but appreciation and we'll support given to those who's join after me.

Thanks and regards
Amanullah
UC Lead 10B.
