Dear Shahid,

Mr Tehsin Ullah is not being held responsible for not preparing the RED-REC MP of his respective UCs but as per his TOR he has to at least has look into/ review the MP which he failed to do although he has already taken training on RED-REC MP training. There is no obvious support being provided by Tehsin Ullah regarding this.

Dear sir

With due respect it is stated that I have many UCs and have many Health facilities. Sir I provided the help to every UC in the preparation Red Rec Microplan. But the DDM Red Rec Microplane was prepared by EPI and submitted to DECO without consulting me.

We are PEI staff. our job is Supportive supervision. Not to prepare microplan etc. for EPI staff. And it is up to UCMOs to review the RED RAC. Sir, ever since we signed the Employment Contract, no one has told us about the responsibility of Validation or Review of RED REC. The Red Rac MP always prepared and assembled by EPI Technicians. And when they have a problem. So we help him resolved the problem for them. Therefore, the EPI Technician had prepared and submitted earlier to the DHO office.

And told me i trained and completed made the Red Rec microoolan. He has been submitted the Red Rec microplane without consulting me.

There fore the some mainor issue are delivered in DDM RED REC.

Regard

UCPO Tehsin Ullah
