Dear Mr Shahid

Consider his response satisfactory but he should not have submitted morning report (by asking from others) if he himself was late due to some emergency, give him verbal warning to be careful in future and not to repeat this again otherwise strict action will be taken against him

Dear shahid Ali

Sorry for late response because we were busy in NID March campaign which was started from 28 February 2022.

Dear Sir, my daughter was sick and I brought her with me to RHC Nahaqi for emergency treatment, due to this reason I was late.

In the presence of Mr. Tahir safi TDO.

During the morning report, according to Mr. Fawad and Mr. Adnan, the morning reports are to be shared before 9 am and update on time to time.

Dear sir this is not fake reporting.

Before the team deployment, we discussed the issues regarding the COVID data entries on ihsan.live with LHWs. (incomplete information on the vaccinator sheet).

That is under 18 age persons vaccination but the name of parents/CNIC no are not in sheet, Afghan person entries, already vaccination entries, etc.

For your information the sheets are attached.

During the COVID campaign we are busy in multiple tasks that is.

LHW Morning reports.

Special morning reports.

Revenue and VC secretaries attendance.

Team Returning Reports.

Team wise data uploading on NIMS.

Person wise data uploading on ihsan.live.

Submitted for your information.
