Subject: Resignation from service.

Dear Sir,

The unfortunate suicide attack on 19th December 2019 has completely changed my life. I narrowly escaped from that suicide attack. After attack I made mayday call to DPCR officials in a row to evacuate teams from that affected area, but I received no response from DPCR officials even none of my officials called me for that deep mental anguish.

I and my family are passing through sever dysphoria after attack. My conscience and my family compelled me to resign.

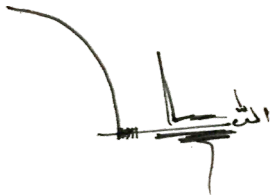

Thank you for your understanding. It has been a pleasure working for you, and I appreciate all of the opportunities that the CTC has offered me.

I also appreciate WHO support over the course of my employment. For 5 years, I have learned so much about my job and I value the experience and all the knowledge that I have gained from WHO. It has been a pleasure working with you and a part of PEI.

Thank you. I wish you and the WHO continued success in Polio eradication.

Sincerely,

Irfanullah Nawaz
