Dear Shahid,

Greetings as per the written explanations of the staff that there were no signals on 30th and 31st of March in District Orakzai is not true. Although the 3G service may be down but 2G service was available but no one bothered to share their headcount even through text except for Mr Tahir TPO who has informed for the 30th only.

Also Mr Shahzad Ahmad UCPO Sregaray had shared his head count on 30th on the WhatsApp group and it shows one deleted message from Mr Shabir UCPO. Attached is the snapshot for your kind information please.

Regards

Dear Dr. Kamal,

Please be informed that explanation letters were issued to UCPOs who were reported absent on 30th and 31st March 2022. As per their responses, all of them were present in field. However, due to non-availability of mobile network on local body election days they could not share their attendance.

Kindly your feedback is requested with regards to their responses.
