R/Sir

As you know that the net system in Orakzai is not working properly. But still we hardly send our head count on WhatsApp. When they are not working then we send the head count on the text. Due to local body elections on March 30 and 31, there were no mobile signals due to which Headcount was not shared. I was present at the same days at BHU Anjani, because the DHO insisted on keeping the hospital open for emergencies and I myself was present with UCMO. Therefore, we request that our legitimate issue be forgiven. For next time inshallah I will try my best to perform my duty best in future.

And I will not give up the opportunity to any complaints.
