

R/Sir!

I had done my duty on 30 and 31 march 2022 in my concern UCs. But unfortunately I had not sent headcount on our official WhatsApp group due to which internet service was closed on 30 and 31 march. Because on 31 march 2022 the local government election was held in NM districts for this main reason I couldn't send my headcount and I considered absent.
