Subject: Explanation in response to Show Cause Notice People/TL/09/21/U2057, dated 13-oct-21

Respected Madam/Sir,

This is with reference to the Show Cause Notice mentioned in subject above, it is stated respectfully that my place of birth is Batkhela but I am living in Peshawar for the last 10 years at the same address i.e. Khattak Medical Center, Dabgari Peshawar. The Authority has already verified my locality and a certificate to this effect has been issued by the local Nazim and local police station SHO. I hope that the above stated explanation about my locality is considered satisfactory. Furthermore in the FCW book record my house is registered from October 2019 when I joined the job my house was missing in their record earlier. They were not aware about the fact that there are houses in the khattak medical center. However, if the Authority wants to re-verify my locality from some other means can do it.

The documents for evidence is attached with the email.

Thanks for your consideration

Best regards,
