

UC DERI BAGHBANAN ENQUIRY NID-MAY-2022(Dated:29/05/2022)

As per ERM day 6, it was decided to conduct an enquiry on the following findings of third party field monitors.

FINDINGS OF TPFM

District: Peshawar Team: Maria and Qayyum TPFM

UC: Deri Baghbanan Catch-up day 1

AS: Rubina Ibrar

CHW name: Salma (294)

1 TVBMC

H.no:6 Child name: Suman, Father name: Umar Gul, Age: 36months

(The guest child came one day before) TVBMC

As per HH, this house was not visited by the team in sweep catch-up day 1

ENQUIRY FINDINGS

1. Failed LQAS during NID-March-2022 (3 Children Missed by Team and 1 Refusal identified). UC is repeatedly failed due to operational issues
2. During NID-March-2022 Total of 4 Clusters were taken in the Area of CHW Salma where the monitors identified the missing of guest children as mentioned in the table below, but she was not supervised during NID May due to which she continued missing guests in 0/0.

DAY	Cluster taken BY	GUEST Vaccination Data	Total Missed	% Coverage
1	JAWAD TTM	9/14	5 Missed	64%
2	UCDO	23/25	2 missed	92%
3	JAWAD TTM	12/12	ZERO missed	100%
4	UCPO	10/14	4 missed	71%

3. Nothing was discussed in the Lesson learnt Cycle meeting and UPEC Meeting regarding operational failure
4. No data-based action plan is available at the UC level for improvement.
5. No plan for the capacity building of the Poor teams despite information shared by ERU.

PRE-CAMPAIGN NID-MAY-2022 TRAINING DETAILS

Name of AS	Code of AS	Contact #	Pre-test score (out of 12)	Post test score (out of 12)	Difference
Mehwish Aftab	176	92347-9161627	9	10	1
Saima Durrani	177	92313-9609704	10	12	2
Ruby Kamran	178	92315-9978754	9	10	1
Rubina Ibrar	177A	92311-8979855	7	8(66%)	1(Failed)
Shakeela Hamid	178A	92310-8781871	10	10	0

6. The AS Rubina Ibrar failed the pre and post-test and was Not re-trained as a corrective measure. She was deployed without her capacity building and necessary coaching by UCPO.
7. On Catch up Day 1st, CHW Salma was not visiting the 0/0 Houses as per her statement as she perceived that 0/0 house is not required to be checked for any missed children. Which indicates poor quality of training. During inquiry, she failed to elaborate IPC questions despite working since 2019.
8. Sweep was Conducted by SALMA/CHW after detection by TPFM. Details are mentioned below.
 - Total #of Houses Checked-in Sweep: 214
 - Total #of Children Checked-in Sweep: 210
 - Total #of Children found Unvaccinated: 16
 - Recorded NA Found Unvaccinated: 14
 - Covered during Sweep: 14
 - Recorded Ref found Unvaccinated: 02
 - Covered During Sweep: 02
 - Unrecorded Guest found Unvaccinated:0
 - Covered during Sweep:0
 - Unrecorded Missed found Unvaccinated:0
 - Covered during Sweep:00

Recommendations

1. It was proved that UCPO Ateeq did serious negligence as lead for the UC in areas of planning, supervision, data analysis, training, corrective measures and follow up of issues and is recommended for a warning and probation due to persistent poor performance.
2. AS Robina Ibrar failed to train her CHW properly and did not supervise her as she was one of her weakest team and is recommended for warning and counselling, followed by capacity building by the UC team.
3. CHW Salma violated program SOPs despite instructions and is recommended for warning and counselling, followed by capacity building by the UC team.
