Please find the below reply of Ms. Saira Syed over the explanation issued to her. According to her the process smooth flow disturbed while copying the plan and said that she will stay more vigilant from next time. The complaint we received against her is also attached for your reference.

Aoa

Respected Ma'am,

First of all i apologize for this issue. It is great owner for me to serve a national cause and i always try my best to serve this. I have prepared complete micro plan for said campaign and gave it to AIC's of my UC as they made copies for themselves but they did some mistakes while copying plan provided by me. I will force them in future to complete their copies before time so i can double check their copies and i will try my best under the guidelines of my supervisors to avoid that issue in future.

Regards,
