Dear Dr Asif,

UCPO Muhammad Danish has resigned from his position without any prior notice with the reason of his father illness. I contacted his supervisor and himself to share any evidence for the mentioned reason but he didn't response positively. Later after his supervisor response, I once again contacted him to share any proof of his reason but he didn't respond to my email as well. **Therefore, it is recommended to conclude his employment contract on account of violation of resign policy.**

Your kind approval/feedback is requested in this regard.

Dear Danish,

As you have mentioned that you are resigning from your position due to hospitalization and bad health condition of your father, kindly share hospitalization documents as evidence. Other wise without serving notice period your contract will be concluded and your resignation will not be accepted.
