Dear Dr Asif,

As per your good recommendation, UCPO Mr Basit was informed about approval of his leave without pay for a period of two months on medical grounds that he had shared with us. Today received an email from UCPO where he is reluctant to avail this and informed that he is not sure whether he will recover in this period of not. Therefore he has requested not to reserve the position for him. His response is attached with this email for your kind reference.

Your kind comment / feedback is requested in this regard.

Dear Mr. Naveed,

The candidate has worked with program for apporx. 3 years. His performance has also remained satisfactory for the said period.

Considering the candidate's experience and skills as an asset for the program and organization his leave without pay may be considered. Meanwhile we will fill the UC with UCSP cadre till the UCPO recovers and able to join his duties.

Best Regard,

Asif Ali

Dear Naveed,

I have discussed the matter with area coordinator. Looking at the previous performance and experience of the staff member, consider his resignation on short notice, as the matter is genuine.

Respected Sir,

With reference to the trailing email, I got my Hernia & URS surgeries last month and availed medical leaves after resuming the field activities. I feel pain again and am not fully fit enough to perform field work while during follow-up visits the doctor suggested that I take rest and prohibited me from traveling and performing field work for a certain period of time, so kindly accept my resignation from the position of UCPO.

If I get a chance in the future after being cured from illness I will be more fortunate to rejoin.

Regards.

Respected Sir,

This email is to inform you that I have been diagnosed an inguinal hernia meanwhile I am having severe pain in lower abdomen, doctor recommended for a surgery as soon as possible which is the only treatment, so that I have to go for a surgery right after the campaign and required minimum 15 days off for a bed rest to be cured.

Looking forward to your kind consideration and approval.

Note: The final date of a surgery and leave tenure will be shared soon.

Thanks & Regards.
