Dear Sir,

Please Accept this letter as notice of my resignation letter from the post of UCPO of Saddar-08 Saddar Town, my last day of employment will be 31-July-2022. I was working with sincerity and dignity since 18-July-2016 (6 Year's). The reason for resignation is my marriage in the upcoming month of October 2022, and I am relocating to (Islamabad). It's a span of about Six years and although I had to leave this job still I have a high opinion of the environment which I got. I really appreciate the opportunities which were provided to me while my stay in the SHMA and CTC, During my tenure I am well versed about the professionalism. I am really obliged for such a golden chance you guys provided to me. I am sure that in near future whenever I'll back it would be tremendous for me to join your team back. The entire squad is doing a great job and I wish good luck to the team at CTC (Polio Team District South).. also requested you to please also give me Experience letter too.

I hope we will stay in touch as I begin this new chapter in my life.

Your Respectfully,

Neelam Pari Wahid.
