Dear Bilal sb,

Please share your consent on below:

- the transfer request of 3 UCPOS from Karachi to District Badin; The positions in Badin were lying vacant because of the resignations of PTPP staff. The concerned UCPOs have shared the consent letters and they have requested for transfer because of the reason that Badin is local district for them.
- One UCPO from Badin has also requested for transfer; he requested to transfer him from UC Golarchi to UC Khor wah in Badin since it would be adjacent to his UC
- two positions of UCPOs in Kambar have got vacant because of the resignations therefore two UCPOs from the redundant pool have been adjusted on these positions
- all of these transfers and adjustments have been approved by PTL-Sindh

Dear Dr Raj, Dr Aziz and Dr Ghulam,

Please see enclosed sheet showing list of redundant UCPOs for your respective districts.

Go through and validate the latest availability status of redundant UCPOs for vacant positions.

Where are they engaged (proposed) currently, TUSP, TSA / PST and JST or any other entity ? any additional information which you think could be helpful in decision making, do consider and include.

Badin – we have received requests from three UCPOs, originally from BADIN and currently working in KARACHI for transfers from KHI-BADIN. Once you provide the feedback on enclosed sheet and then we could work further on the transfer requests. Plus as discussed also include status of one local transfer of currently working UCPO in Badin.

Reply all while submitting your responses.

Response are required today.
