Reference subject cited above

It is submitted to your good office that Ms. Hina Kousar ALSM UC LANDI ARBAB submitted an application on 29th July-2022 stating allegation of harassment and requested for inquiry. Furthermore the Ms. Hina Kousar ALSM UC LANDI ARBAB has been reported of being involved in **fake refusals coverages** in that regard Show cause notice were issued on 14th July-2022. But the response received on it was found unsatisfactory and failed to clarify herself. On 27th July-2022 it has been decided by vendor PEOPLE to terminate the services of Ms. Hina Kousar ALSM UC LANDI ARBAB as stipulated in the employment letter issued to her.

After thorough study of the file and application submitted it is evident that during her service duration Ms. Hina Kousar ALSM UC LANDI ARBAB never submitted any allegation of harassment or any complaint. But after her termination of services she submitted the application of allegation and for inquiry. This may be reactionary or personnel. It is hereby recommended that to keep the environment peace in UC LANDI ARBA the UCPO Mr. Sarmad and UCDO Ms. Shakeela may be transferred/shuffled to other UC in the best interest of the Program.
