Dear Faizan,

I have gone through the letter. Could you please share any background associated with the allegations mentioned in the letter plus any approvals or if any related correspondence of PTL-KPK with coordinator Polio on this. Since the allegations are purely Technical in nature therefore Provincial Technical Team can advise us better before we share it further.

I have also asked the details from CTC but they replied that they hadn't received any complaints over usage of fake finger marking against the UCPOs working in North Waziristan.

Best Regards,
Khalida
