Dear Sir

This email is to notify you that I am resigning from my position here as "Union Council Polio Officer UC-03 Gadap, Gadap Town" effective from 15th of August, 2022. As per company policy, I am writing this mail to inform atleast 10 days earlier.

Thank you for all the opportunities you have provided me over the years. I have enjoyed my time working for this company and have learned so much. I am also grateful for your kindness and encouragement as well as the kindness of my colleagues.

Over the next period of time, from today onwards to 14th of August, I will complete all my projects , tasks assigned from immediate supervisor and make myself available to train a replacement for my duties. Please let me know if I can do anything to help make this transition easier. In the future, you can always contact me on my email address "attadero@gmail.com" and contact number 0333-2570411.

Last but not the least, its hard to say Good-Bye to this program my due to some reasons I am resigning from this post which are as follows

(1) Health Problems: I already have gone through bypass operation of heart and also suffering from Diabetes. Therefore, its becoming difficult to work in these conditions and also difficult to purchase medicines and also do duty within same salary of last two years. Medicine prices have gone rapidly very high.

(2) Geographic Condition of UC: Everybody in EOC and DEOC is aware about the dynamics of UC-3 Gadap. Its one of the largest UC in Karachi in terms of Distance spreading over more than 200 Kilometers. Again its becoming very much difficult to work within same salary and cover that much distance in UC-3 Gadap. I have asked many times to DEOC to provide POL for UC-3 Gadap but no response has been received up til yet. UC-3 Gadap Zone Includes area from Karachi Hyderabad Motorway Lucky Cement Factory Area to Hab Dam. Moreover, inclusion of Shah Mureed CBV part has extended the dynamics and distance of UC-3 Gadap.

(3) Salary Issue: Respected Seniors, Petrol Prices , Inflation Rates have gone much higher. As per Government Statistics, inflation has increased from 16% to 36% within last Four Months. SHMA has also increased the Salaries of ALSMs, HHSMs, CHWs, UCCOs, UCOOs but no salary of UCPO has been increased by CTC. Its humble request to EOC to look into this matter as its becoming very much difficult to cope with situation within this salary and increase in Salary will be good gesture for UCPOs in these tough and full of work pressure situations.

Thanks and Regards

Atta Muhammad Dero
