Dear Dr Asif,

UCPO Sadam Hussain has resigned from his position on 4th October and was serving one month notice period. Today I received his call as well as through email (email attached) that he has received Govt teacher offer letter and he needs to do some verification as pre requirement before joining so he will not be able to perform his duty from 14th November onward.

As per SOP resignation without serving the notice period leads to employment contract closure, however his supervisor has requested to facilitate him as he was a good staff mentioned in his email as below.

Your kind comment / feedback is requested in this matter.
