Hello Hina,  
The supervisor North share with the following reason of Nauman Khan to leave the job.  
Numan Khan had to leave the job only because of behavior problems of a retailer, he was not allowed to do his duty because when he ask the customers to get off the bike/rickshaw, the customers didn't come back to the site again and you have a direct impact on my site's sales. So I won't be allowed to work on my site.  
Therefore, he left the job on 5th October.  
You are requested to consider this email as a record for HIRS.

Regards,  
Rehana Mansha
