I am very ashamed of all my complaints. It also has a big reason that the filler champions do not listen to us and did not let us stand on the point and the salesman complains that there is a difference between our cell and when we start collecting the customer, the filler tweezers already put fuel and I am very ashamed of my senior and inshallah I will do my best that I will not give you a chance to complain anymore

Dear Mr. Zeeshan Akhter

This is with reference to the complaint we received regarding you about your Non serious and Casual attitude in your capacity as Safety Warden. Please find attached explanation Letter and share your response within 48 hours.

Looking forward to your prompt response.
