Respected sir,

It is with sincere regret that I am informing you about my decision to resign as district monitor Hangu. It has been a pleasure working with WHO and I have grown both as a person and a professional during my employment here.

However, I believe that now is the right time for me continue my studies in peshawar. Thank you for your understanding and I would be happy to help with the transition in any way possible.

In addition, Thank you, Dr. Imran, Madam Nyla and Dr. Riaz Nasrasrullah for your support, guidance and leadership. It was a precious opportunity for me to gain experience in the health sector and to learn about EPI. I am available to help my replacement or to answer any queries.

I would like to wish the campaign all the best and look forward to any future opportunities with WHO/EPI

Kind regards

kainat orakzai
