Dear Ma'am

Please note that our female safety warden Arooj Fatima, currently working at Kohsar Filling Station F-6 Islamabad, is continuously facing health issues and she is unable to continue her job at her best. She is requesting to accept her 15 Days prior notice of resignation which is effective from tomorrow dated 31- Oct-22. This earliest request is being made keeping in view her bad health conditions. So the cooperation by HR will be admired.

Regards
Muhammad Saleem
