Subject: Resignation on one month notice

Respected sir ,

Referring to the Subject I would like to let you know that After **Dec 31, 2022**, I will not be able to Continue my job as the WHO's UCPO (UC Lead Uc Village aid).

Due to some domestic concerns I am going to shift from Quetta and I will not be able to resume my job after **December 31, 2022**, so that day will serve as my last day with the programme.

I am truly grateful for the chance you have given me over the last 6 years. Being UCPO, I have gained a lot of knowledge, have enjoyed my time here, and feel especially honoured to have been a part of such a supportive team

I will be available to help with anything you need during this change. I make sure to be part of programme before my last day of work within the remaining period.

Thank you once more for the chance to serve in the polio programme. Best wishes, and I look forward to keeping in touch.

Regards
Wasim
