Dear and respected sir/ma'am  
Assalamoalaikom,

In response to your mail the activity plan was revised and prepared on the spot in the field. The activity site road is under construction and hence was blocked. Due to which I reached half an hour late.

Sir there is no mobile and was communication problems i have been reached the area and supported the two EPIs activities in two different villages sites.sir pleas keep in view the area coessentiality if my Boss/PEO Bajaur has noted any guilty on my part I am broadly accepting and I am very very sorry for that's.

Sir in future I will try my level best to prove myself as a good and obedient worker/employee.

Best regards,

Riaz khan UCPO Barang Bajaur
