Subject: [EXT] Contract Closure on violation of resign policy

Dear Dr Asif,

UCPO Abdul Aziz resigned from his position on 28th November & he was asked to serve the notice period as in the appended email but he didn't respond positively. We received his email where he has made 13th December his last working day.

Therefore, as per SOP, his contract closure is recommended on account of violation of the resignation policy.

Your kind approval/feedback is requested on the subject matter.

Dear Abdul Aziz,

As per SOP, you need to serve one month's notice period. Otherwise, your resignation will not be accepted and your contract will be closed.
