Dear Bilal sb,

Kindly share your consent for the termination of Mr M. Nadeem, UC Kalay.

There was an issue of harassment between TTM and CHW (both are not PTPP staff) in the field, Peshawar. During the course of investigation it came as an evidence that UCPO, Mr M Nadeem was instigating the other male colleagues in the field for immoral activities. The audio recording of him is

attached with the translation of that voice message. The investigation was jointly done by CTC & People's team.

Mr Nadeem was also responsible for poor management skills; he was aware of the hostile situation in the field but he still did not restrain the concerned TTM (whose contract was ended) for visiting the Civil Dispensary and gossiping with female CHWs.

The PTL has endorsed his termination.

Best Regards,

khalida

Dear Mr. Shakeel and Ms. Khalida,

This is to inform you that UCPO Mr. Muhammad Nadeem – UC Lala Kalay was reported for sexual harassment and an investigation was conducted in this regard.

Based on the findings, he was found guilty and recommended for termination on account of Professional Misconduct (instigating male colleagues to sexually exploit female colleagues at the CD.) The recommendation has also been endorsed by WHO PO and mentioned in the thread email below.

WHO FO approval is requested to proceed with the termination case.

If you need any further information regarding the same, please let us know.

Dear Mr Faizan,

Please note that the following audio message was forwarded by the PEOPLES team, furthermore the recording was forwarded to them by the CHW who is also the complainant. Please also find the attached written statement of the UCPO Mr M Nadeem taken at the CTC PO on the 7-11-22 in order to verify if the audio message actually belonged to the UCPO. Please also note that the UCPO has mentioned in his written statement that the he was very ashamed of whatever he has said in the Audio message and further he also apologized for his words in the following statement. Please let me know if your good office requires any further information.
