Dear Madam,

I hope this email finds you well. I would like to draw your attention to one of our sites in Region Multan, District Rahim Yar Khan named Al Farid FS ship To-10056307. Safety Warden **Asif Maqsood** working here and last month TM Waqar Haq of that area highlighted the issue of his performance and negligence at the forecourt area, which was alarming. I conducted a meeting with staff and orientate and orally give them a shut-up call on this matter. Recently again it was observed that he didn't comply with on-site work and again happen misconduct at the workplace.

I would suggest and request to you kindly give him a written warning so that in future he will act according to project needs. Furthermore, I'm attaching here some pictures of his work during duty hours at the forecourt.

If you need further information do let me know. I will be available all the time.

Thank you,

Regards,

Akber Zaib
