Subject: Mutual Transfer request of Faisalabad SW's Approval Required

Respected Ma'am,
I hope that you are fine, As per Discussion following staff of Faisalabad needs to transfer mutually due to performance issue. We want to witness change if it is due to non cooperation of site staff or personal incompetence of SW is involved. Details of SW's are as followed.

Ship to	Site Name	City/Territory	Region	Safety Warden Name	Gender
10041001	MILLAT PETROLEUM SERVICE	Faisalabad	Lahore	Arif	Male
10048276	CITY PETROLEUM COMPANY	Faisalabad	Lahore	Aqeel Jawed	Male

We want to inter transfer of both SW's to each other's site cause we are facing bike straddling compliance issue on both side and want to know if it can resolve and improve compliance on both sites with change of SW's sites.

Regard's
