Subject: Request to Transfer the SW Upon TM Request

Hello Sundas,

Further to below email, you're requested to close the site KALAIR FILLING STATION (12628470) upon TM request and add new site Wazirabad FS

The following is the detail of new requested site

Ship to	Site Name	TM Name	Territory	Region
10040962	WAZIRABAD FILLING STATION	Fahim Iftikhar	Gujranwala	Lahore

Consequently, the SW of KALAIR FILLING STATION (12628470) will be transferred to Wazirabad FS. Supervisor and TM have already taken consent from SW on transfer and you can also exercise the process as per HR policy.

Kindly do the needful on aforementioned changes at Gujranwala territory.

Regards,
Rehana Mansha

Discussed with Ibrar, please help moving the warden to another close by site, which is wazirabad FS, where biker traffic flow is high, requiring us to intervene through warden.

Think Secure. This email is from an external source.

Hello Fahim,

Hoping you're doing well.

I need your support in improving the compliance at the Kalair Filling Station as the Safety Warden does not have enough support from the Site Manager and Retailer. Mr. Abrar (Supervisor Biker/Rickshaw Project) also held several meetings with them to ensure compliance but no positive response were obtained in return.

Please review the last two weeks compliance
