Dear Sundas,

I hope that this email finds you well.

On Thursday 26th Jan 2023 SW Ali Abbas working as SW in Gulberg Filling station Faisalabad informed me about his bad health and requested for three days Leave on basis he submitted medical form & Dr. Prescription. On cross check and verification following issues identified.

1. Lab report attached is of 2021.
2. Lab report submission of sample, report and report is of same time.
3. Prescription of Dr. is of Skin specialist instead of Medical Officer.
4. On cross verification it is identified SW never visited clinic, as Clinic Dr. practicing is in Jhang city.
5. Provided document is fake.

It is requested take necessary action against SW, leading strong evidence of fake reporting & Misleading. He is been identified in misguiding team on discipline previously. Provided documents of SW is attached here with for your further working.

Regard's

Abrar Hussain
