Dear Sundas,

I hope that you are doing well, It is to update you following issues identified in SW's performance while my visit to Site today 20-2-2023.

SW presence found on site/forecourt including his arrival and off timings found satisfactory. Performance issues identified during my visit as following.

SW intervention found zero%. During CCTV he is found standing idle throughout the time he spend in forecourt. Bike straddling compliance on site found 10-20% due to the noncooperation of SM and Forecourt staff but Data shared by SW is 40-50%. Number of times verbal warning shared with SW but no improvement is witnessed.

CCTV footages of 12-2-2023 & 13-2-2023 is attached here with as proof for your reference & working.

On the above basis it is recommended please issue him warning letter for reference about his performance is not satisfactory.
